AGENDA

- IACA Overview
 - Purpose
 - Membership
 - Governance
- 2018 Year in Review
- IACA 2019

INTERNATIONAL ASSOCIATION OF COMMERCIAL ADMINISTRATORS (IACA)

- Incorporated as a non-stock, non-profit corporation under the Nonprofit Corporation Law of the State of Louisiana in 1978
- IACA is an association for the professionals of governmental agencies charged with the administration of business organization, secured transaction laws and for the technology managers who support these functions.

PURPOSE

- To improve the operation of business and commercial departments of governmental agencies through
 - mutual cooperation
 - exchange of ideas
 - education
 - promotion of legislation for the improvement of business and commercial laws and their administration

GENERAL MEMBERS

- Employees of governmental agencies with administrative or policy authority for, or provide supporting information technology services to, business entities divisions (akin to corporate registries) or Uniform Commercial Code divisions (akin to our personal property registers).
- Governmental agencies shall be agencies of each state, commonwealth and territory of the US and provinces and territories of Canada and the federal government of Canada.

INTERNATIONAL MEMBERS

- Jurisdictions representing foreign governmental agencies having administrative or policy authority for, or provide supporting information/technology services to, business entities divisions or those divisions of agencies which handle matters contained in or similar to, Uniform Commercial Code.
- Governmental agencies shall be agencies of foreign countries, states and territories outside the US and Canada.

GOVERNANCE

- Board of Directors elected by General Members
- Four sections, each with a Chair and Vice-Chair
 - Business Organizations Section (BOS)
 - Secured Transactions Section (STS)
 - Information Technology Section (ITS)
 - International Relations Section (IRS)
- International Relations Section Chair elected by International Members
- Each role assigned specific duties and responsibilities
